

This permit is being reissued for an existing swine facility for 2,720 head (1,088 animal units) of swine weighing more than 55 pounds and 4,000 head (400 animal units) of swine weighing 55 pounds or less. There is no change in the permitted animal units from the previous permit. An approved Nutrient Management Plan for the facility is on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Westervelt Turkey Farm Wiley Westervelt 8340 S.W. 20th Columbus, KS 66725	NE¼ of Section 27, T34S, R23E, Cherokee County	Neosho River Basin

Kansas Permit No. A-NECK-F014

This permit is being reissued for an existing facility for 33,000 head (594 animal units) of turkeys. There is no change in the permitted animal units from the previous permit.

Name and Address of Applicant	Legal Description	Receiving Water
Duane Doyle 4012 DD Road Lebanon, KS 66952	E/2 of Section 23, T01S, R11W, Smith County	Lower Republican River Basin

Kansas Permit No. A-LRSM-M001

This permit is being reissued for a confined animal feeding operation for 125 head (175 animal units) of mature dairy cattle, 50 head (50 animal units) of cattle weighing greater than 700 pounds and 50 head (25 animal units) of cattle weighing less than 700 pounds, for a total of 250 animal units. This represents an increase in the permitted animal units from the previous permit. The permit contains facility modifications consisting of a new earthen sedimentation basin, a new wastewater retention structure, two new drainage diversion structures, a new open pen area and a new vegetative buffer.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before January 26 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-12-368/373) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the secretary of health and environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at

<http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

Robert Moser, M.D.
Secretary of Health
and Environment

Doc. No. 041193

State of Kansas

911 Coordinating Council

Permanent Administrative Regulations

Article 3.—GRANT FUNDS

132-3-1. 911 federal grants; distribution. (a) Federal grant funds shall be distributed by the chair of the 911 coordinating council ("council") to any entity only if all of the following conditions are met:

(1) A majority of voting members on the council approves the award of any contract or agreement to the entity seeking federal grant funds before execution of the contract or agreement.

(2) The proposed use of the funds is consistent with the federal grant fund requirements and K.S.A. 12-5365, and amendments thereto.

(3) The federal grant funds will be used to implement next-generation 911 services at a regional or statewide level.

(4) The equipment and services to be purchased using federal grant funds meet national technical standards established for next-generation 911 services as adopted by reference in subsection (b), to the greatest extent possible, and are open architectural designs.

(b) The following portions of the "detailed functional and interface specification for the NENA i3 solution — stage 3," dated June 14, 2011, are hereby adopted by reference as the national technical standards established for next-generation 911 services:

(1) Pages 4 through 236; and

(2) pages 256 through 280.

(c) As used in this regulation, "open architectural designs" shall mean architectural designs that meet the following requirements:

(1) Are available to the general public and are intended for widespread adoption;

(2) facilitate interoperability and data exchange among different products or services; and

(3) contain no proprietary constraints. (Authorized by K.S.A. 2011 Supp. 12-5364, as amended by L. 2012, ch. 21, sec. 2; implementing K.S.A. 2011 Supp. 12-5364, as amended by L. 2012, ch. 21, sec. 2, and K.S.A. 2011 Supp. 12-5365; effective Jan. 11, 2013.)
